

UPDATE TO CUSTOMERS DURING THIS UNCERTAIN TIME:

We hope everyone is as well as can be expected during this time and appreciate that visiting the shop is not possible for many people right now. We are still open but very much taking each day as it comes while knowing that at some point we may have to address this and close for a time.

If you would like anything from us (New Release or otherwise) we offer a mail order service on 029 20 224905 and you can make enquiries via info@spillersrecords.com outside of shop hours. We are also able to keep items at the shop on a long term basis for collection in the future if payment is made on the above line. In the meantime, enjoy any additional time you get to spend with your music collection over the next few weeks / months and we will look forward to seeing you when circumstances allow us to. X
